

Governor Biography – Susan Gothard

I have been involved in education all of my life from being at school into university and then into teaching, where I finished my career as a Head Teacher in a Special School.

I have lived in Norfolk for most of my teaching career and in Hingham for 20 years and as I am now retired felt that it was time to give something back to the community, I live in.

I believe strongly in the vision and ethos of Hingham Primary School and I am looking forward to working with the governing body and the school to support their continued success.
